

Ross Dawson: Speaking Introduction

Ross Dawson is globally recognized as a leading business futurist, keynote speaker, and strategy advisor.

He travels the world helping major organizations think about the future, having delivered keynotes and executive workshops in 27 countries across six continents.

Ross is also the founding chairman of the Advanced Human Technologies Group of companies, which spans consulting, publishing, events, apps, creative services and other activities across five companies.

His bestselling books include the acclaimed *Living Networks*, famous for anticipating the rise of social media, and most recently *Getting Results From Crowds*.

Ross frequently appears in the media, including on CNN, Bloomberg TV, SkyNews, ABC TV, New York Times, the Today and Sunrise shows, and many other programs.
